Introduction

The Canada Post Prices guide is provided as a reference tool containing prices and related general information. It must be used together with the Canada Postal Guide, which provides details on all product and service requirements. Consult the Canada Postal Guide at: canadapost.ca/postalguide or call Customer Service at 1-866-607-6301.

Consumer prices

Consumer prices apply to customers who require that the counter staff weigh their item, calculate the price, and affix the postage. Solutions for Small Business™ cardholders pricing is found in the *Business Prices* book. Prices and fees may be changed without notice. In case of a discrepancy between printed and online versions, the online version prevails.

Customers should ensure they are using the most current version of Canada Post Prices, which is posted at canadapost.ca/prices.
